

tylko Needs are not mass-produced.
And neither should furniture be.

job @ tylko

DESIGNER

tylko is a start-up company on a mission to redefine the furniture industry. We are a team of designers, developers and managers that combine our knowledge of design and technology to bring customized furniture effortlessly to everyone.

Our requirements:

- At least 3+ years of experience in working with furniture and product design
- Having a broad interest for design and technology
- Experience in going through product cycles
- Experience in working with various materials

Your duties will include:

- Create initial designs
- Work on high-tech customisation solutions
- Implement the latest market trends and technologies in furniture design
- Test high potential materials

Your benefits:

- Work with world class designers
- Learn how a startup grows from the inside
- Be an early member of an innovative company
- Become part of an interdisciplinary project

We're looking for people who are both committed to their work and excited for change. If you like to do things differently and are a restless innovator, tylko will feel like home.
