

tylko Needs are not mass-produced.
And neither should furniture be.

job @ tylko

INTERN (paid internship)

tylko is a start-up company on a mission to redefine the furniture industry. We are a team of designers, developers and managers that combine our knowledge of design and technology to bring customized furniture effortlessly to everyone.

Our requirements:

- Good recognition of interactive technologies / understanding requirements, limitations and possibilities of Internet technologies
- Organised approach
- Ability to plan own schedule
- Fluent in English
- Experience with MS Office, Google Docs.

Your duties will include:

- Participating in processes of the sales & marketing department
- Research of best practices & new solutions

Your benefits:

- Learn how a successful startup grows from the inside
- Work with multinational A-Players
- Be an early member of an innovative company
- Become part of an interdisciplinary and multinational project, making true change in the furniture and design industry possible
